UNIVERSAL ORLANDO RESORT™

Welcome to The Loews Meeting Complex at Universal Orlando Resort

Our goal is to always give our guests a variety of flavorful, healthy options to choose from and to create a high-quality, relevant culinary experience that makes it worth coming back.

We are passionate about the freshness, quality, and purity of all our menu options. Our use of seasonal, sustainably produced and locally sourced ingredients—including farm-raised and line caught fish, free-range chicken eggs, certified organic produce, grass-fed beef, fair trade chocolate, and non-GMO products—creates a dining experience like no other.

Our commitment to cultivating relationships with responsible, ethical, local partners and farmers—such as the Villages Grown, Pure Produce, HertaBerkSchwein Farm, Wild Ocean Seafood Market, Kyrios Micro Greens, and many more—allows us to be confident in the provenance of the food we provide while taking pride in supporting the communities we serve.

We are always mindful and sensitive to the dietary needs and practices of our guests, so we offer many creative alternatives to our standard menus including vegan, kosher, halal, gluten-free, lactose-free and sugar-free options. In addition, our guests are always welcome to approach us with any dietary concerns as we will be more than happy to customize our menus to accommodate their special needs.

Meeting Planner Guide

Meeting Planner Guide

Welcome to Loews Hotels at Universal Orlando Resort. With any special gathering, we understand that it's that unique combination of remarkable service and a one-of-a-kind location that makes your event truly unforgettable. Whether you are planning a small corporate meeting, a large convention, or an association conference, rest assured that events of all sizes receive the same level of attention from our seasoned conference and catering associates. In order to anticipate your meeting planning needs, we have created the following guide for your review.

Audio Visual Equipment

The Hotel has a fully equipped audio-visual company on property, Encore, who can handle any range of audio-visual requirements. Additional electrical power is also available in most function rooms. Please contact your Conference or Catering Manager or Encore representative for rates and information.

Exhibitors

To guarantee a flawless Hotel arrival experience for all guests, we kindly request that all exhibitors please load-in through the designated service entrances of the Hotel and check-in with Security. For load-in, exhibitors must be completely self-contained and be prepared to transport their own materials, packages and equipment. The Hotel requests that all shipping needs be provided by the exhibitor's show decorator or primary point of contact. However, should shipping be processed by the Hotel, the Hotel will charge shipping and handling fees in advance prior to the Hotel's shipping and receiving agent releasing items. Please note that the Hotel's operating departments are not staffed nor prepared to handle exhibitor demands.

Food and Beverages Pricing

Price good through December 2025. Menu pricing is subject to change based on seasonality, product availability and sourcing.

Food and Beverage Service

The Hotel is the only authorized licensee to sell and serve food, liquor, beer and wine on the premises. Therefore, the Hotel must supply all food and beverage. This includes hospitality suites and food amenity deliveries. The Hotel's mixology and sommelier teams are available to suggest a wide range of beverage selections to compliment your event. The Hotel kindly requests that all beverages are served by the Hotel's personnel only. In addition, the Hotel's alcoholic beverage license requires the Hotel to request proper identification of any person of questionable age. The Hotel may opt to refuse alcoholic beverage service if the person is either under age or proper identification cannot be produced as well as to any person, who, in the Hotel's judgment, appears intoxicated.

Food Preparation

Our Culinary team is able to satisfy all your dietary restrictions, allergies and personal preferences. Please kindly communicate any details to your Conference or Catering Manager in advance of your function(s). Please be advised that consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food borne illness, especially if you have certain medical conditions. To ensure the quality and safe handling of products serviced by the Hotel, we request that no food and beverage may be transferred or re-plated. In addition, food may not be removed from any function by the client or any of the invitees.

Guarantees

The Hotel requests that clients notify the Conference and Catering Department with the exact number of guests attending the function 72 business hours prior to the function. Guarantees for Wednesday events must be confirmed on the preceding Friday. If fewer than the guaranteed number of guests attend the functions, the client is charged for the original guaranteed numbers. Hotel will provide service of 5% over your guarantee for events up to 500 people and 3% over your guarantee for events over 500 people.

Kosher/Halal Meals

The Hotel partners with local caterers to provide kosher and halal meals for guests who require them. Additional charges will apply. Seven days advance notice is required.

Meeting Planner Guide

Menu Selections

To ensure that every detail is handled in a timely manner, menu selections and specific details should be finalized 30 days prior to the function. In the event the menu selections are not received within 30 days prior to the function, we will be happy to select appropriate menus to fit your needs. You will receive a copy of the Banquet Event Orders (BEOs) to which additions or deletions can be made. When the BEOs are finalized, please sign and return them 10 working days prior to the first scheduled event. The BEO will serve as the food and beverage contract.

Meeting Room Keys

The Hotel can accommodate personal meeting room keys, should you require keys for offices and/or storage areas where you want to restrict access. Please note that function or storage rooms being held on a 24-hour basis are available at a fee per lock change and for each additional key requested. Requests for lock changes must be provided to the Hotel a minimum of two [2] weeks prior to set-up. On-site requests will be charged per lock change.

Security

Please kindly advise your attendees that they are responsible for the safekeeping of their personal property as the Hotel does not provide security in the meeting and function spaces. You may elect to retain security at your own expense to safeguard personal property in the meeting and function space or request lock changes to secure your meeting rooms. Please contact your Conference or Catering Manager for assistance. Additionally, depending upon the nature of your event, the Hotel reserves the right based on its reasonable judgment to require the group to retain security personnel in order to safeguard guests or property in the Hotel. The Hotel's prior approval is required for all outside licensed security companies and must meet the minimum standards established by the Hotel, including insurance and indemnification requirements. Security personnel are not authorized to carry firearms without advance Hotel approval.

Smoking Policy

We kindly ask that smoking not occur in any areas of the Hotel to include guest rooms, suites, public areas, restaurants and meeting/function rooms. Otherwise, a cleaning fee may be assessed.

Taxes and Service Charges

The Hotel will add a 27% taxable service charge and a 6.5% state sales tax on food and beverage in addition to the prices stated on the menus. Such taxes and service charges are subject to change without notice. Buffet service for less than 25 guests is subject to a minimum taxable surcharge of \$5 per person and will be included in your final per person price.

Weather Call

The Hotel reserves the right to make the final decision regarding outdoor functions. The decision to move a function indoors will be made no less than six hours prior to the event should the forecast call for a 40% chance or more of rain, wind in excess of 20 mph or lightning. Should the event include décor provided by an outside company, your Operations Manager will advise you of the cutoff time for a weather call. In the event the function is moved inside after the six-hour cutoff, a labor charge will apply.

24 Hour Event Set Changes

Understanding that changes sometimes occur during events, it is important that communication be provided in a timely manner. To meet your service expectations, additional labor may be required for your event request. Event set-up changes made within 24 hours of the start of your event may result in labor fees applied to your group master account. Your Conference or Catering Manager will advise of said charges when the situation arises.
