## SVIN'S MISSION & VISION

SVIN aims to represent the advancement of interventional neurology as a field with the ultimate goal of improving clinical care and outcomes of patients with stroke and cerebrovascular diseases.

Our vision is to become the leading global society for vascular and interventional neurology.

## MEMBERSHIP BENEFITS

SVIN members are connected with an elite group of premier neurologists, hospitalists, and other healthcare professionals in the fields of vascular and interventional neurology.

SVIN also offers educational and training opportunities within the field (CME credits available), networking at collaborative SVIN Events and Conferences, and opportunities to get involved with SVIN committees and taskforces.
